Activities throughout the 2025 race season at Latrobe Speedway will require parent/guardian approval. Such activities will include a tour of the pits, car rides on the track, bike races, etc.. During the activities we have a photographer take photos and video of the activity. If you wish to not have your child in any Kidz Klub media please let us know. We plan to have more drivers interacting and helping with KIDZ KLUB this year.

That way kids get to meet their favorite drivers! By signing this registration form you are allowing your child to participate in any activities listed that KIDZ KLUB will be doing during the 2025 race season.
